

Borth & Ynyslas Community Emergency Plan

Flooding

Fire

Power cut

Storms & snow

Available from <http://www.borthcommunity.info/index.php/emergency-plan>

The Emergency Plan outlines the actions that may be taken in an emergency, what you should do, the role of the Community Wardens and the Rest Centres if they are used in an evacuation. It also contains many useful numbers.

We encourage you to take a look at the plan.

Are you registered for Floodline Warnings Direct?

A **free flood warning service** for advance notice of flooding from rivers and the sea, giving you time to prepare.

You can receive warnings by telephone, mobile, email, SMS text or fax.

Call Floodline on 0345 988 1188, Typetalk on 0345 602 6340 or register online with Floodline Warnings Direct

Calling Floodline for updates on flood alerts?

Telephone 0345 988 1188

Use the Quick dial codes:

Borth Tidal Warning area 194406

River Leri Warning area 196505

Ceredigion Alert area 194401

Community Wardens in Borth & Ynyslas

Provide a vital communication link between residents and the authorities involved in emergency incidents. Do you know who your Community Warden is? They will live near to you. **Could you be a Community Warden?**

To find out more about volunteering as a Community Warden or if you have any comments or questions on the Community Emergency Plan please contact:

Cllr. Mike Wilcox, e-mail borthpo@hotmail.co.uk Tel: 01970 871245

Cllr. Jill Hulse, e-mail jillbullen@gmail.com Tel: 01970 871256
